Subject: Status of Laura Fujii comments on BDCP pieces

Hi Erin,

Just a quick note to let you know that Stephanie is out this week, plus, she is swamped with Forest Service DEIS reviews.

I am trying to focus on review of Chapter 3, 4, & 6 of the BDCP preliminary-ADEIS. Slow going, since I am increasingly distracted by the need to clean out email, efiles, and cubicle in anticipation of my retirement (last day is January 27, 2012).

Stephanie and I discussed the urgency of sending you comments on the current preliminary-ADEIS. We both agreed that comments at this very rough draft stage are not super critical given the fact that EPA will have opportunities to review multiple drafts of the more complete ADEIS.

I will send you whatever comments and observations I have on whatever I am able to review by close-of-buisness this Friday. Let me know if this light review will be an issue.

Hope you had a wonderful Holiday Season and New Year celebration.
